

TRAIN THE MODEL ON IBM

The screenshot displays the IBM Cloud Dashboard interface. At the top, the 'Dashboard' title is followed by links for 'Edit dashboard', 'Upgrade account', and a 'Create resource' button. A sidebar on the left contains navigation icons. The main content area is divided into two sections. The top section, titled 'For you', features a 'Build' tile and seven service tiles: 'Monitor your resources', 'IBM Watson Internet of Things Platform', 'View APIs and SDKs', 'Discover the Watson Internet of Things (IoT) Platform', 'Browse, select, and create a database', 'Use Watson Assistant', and 'Use Watson Studio'. Each tile includes a brief description and a 'Getting started' or 'Popular' button with a time estimate. The bottom section contains four tiles: 'News' (with links to recent articles), 'Recent support cases' (with a 'View all' link), 'Planned maintenance' (with a 'View all' link), and 'IBM Cloud status' (showing a world map and 'No issues'). At the bottom, there are links for 'Usage', 'User access', and 'Manage users'.
